

Press Release

A Guest lecture on 'Smart City' was organized in Aggarwal College, Ballabgarh on 24th August 2016. The lecture was organized under the direction of Principal Dr. Krishan Kant Gupta. The keynote speaker was Mr. Hem Thukral, Senior Smart Grid Specialist, India Smart Grid Forum, New Delhi. Mr. Thukral deliberated at length on the various issues and factors that go in the making of a Smart City. He explained his lecture through various images and graphs and also highlighted the various obstacles that come in the way of a Smart City. He presented his lecture in a very engaging manner and everyone enjoyed the concepts.

The Students had a very healthy interaction with the speaker. The lecture concluded with vote of thanks. The lecture was coordinated by Dr. Sarika Kanjlia. Dr. Geeta Gupta and other faculty members were also present
