

Press Release

A three day Career Guidance Workshop is being organized in Aggarwal College, Ballabgarh in wing-I and wing-III in coordination with United Nations Development Programme (UNDP) on 13th, 14th and 15th October 2016 under Nayi Dishayein Project for the final year girl students. This workshop is being organized under the guidance of Principal Dr. Krishan Kant Gupta. The team of Nayi Dishayein told the students about the various departments in a company and the variety of jobs that are available in the market. The students were given study material and a 30 minute multiple choice question assessment test was also conducted. The workshop was totally interactive. This workshop is bringing together leading corporate companies who as a part of their CSR initiatives have joined hands with UNDP to offer career guidance and placement support to young girls completing their college. The girls who pass the assessment shall be given a certificate of 'Career Assessment Test' by UNDP and Corporate Partners. The students will be given refreshments at the end of the workshop every day. The workshop is being coordinated by Dr. Manoj Shukla and Dr. Sarika Kanjlia in wing-I and by Dr. Shilpa Goyal in Wing-III. B.A. Final and B.Voc. Final year students attended the workshop in Wing-I & B.Com (CA), BBA & BBA (CAM) students attended the workshop in Wing-III on the first day.
