

## **Press Release**

A five-day workshop aimed at enhancing the skills of teachers was inaugurated here on Monday, Dated 5<sup>th</sup> December 2016. The workshop is being organised by Aggarwal College Ballabgarh in collaboration with Chandigarh-based 'National Institute of Technical Teachers' Training and Research (NITTTR). The workshop is organised by under the able guidance of Principal Dr. Krishan Kant Gupta.

The inaugural session is opened by Er. Mala Kalra, Assistant Professor, Course Co-ordinator NITTTR, Chandigarh. In this session, 30 institutes from all over country introduced themselves. Dr. Sachin Garg introduced our institution and Ms. Kamal Tandon, Ms. Kiran Anand, Dr. Jaypal Singh, Dr. Ram Chander and other faculty members from Department of Computer Science were also present there.

After that First Session was started with a talk by Er. Mala Kalra with the topic "Overview on Cloud Computing". The session gave a Brief introduction about cloud computing.

In the last session, Er. Amit Doegar, NITTTR delivered talk on "Virtualization Technology" which was again an elaborative and interactive session. He presented the technique of Virtualization very expressively. All the faculty members showed a great interest in the session and have found the workshop very resourceful to attain knowledge on cloud computing.
