

Press Release

An industrial visit was organized on ANR software Private Limited, Sector 63, Noida by Computer Department of Aggarwal College Ballabgarh on 18th November, 2016 for the students of B.Voc (Software Development). The visit was arranged by the able guidance of college Principal Dr.Krishan Kant Gupta and directed by Head of Dept. of Computer Science Dr. Sachin Garg, Sh. Devender Kumar and Ms. Shilpa Gupta (Assistant Professor of Computer Dept.). This visit was arranged with the cooperation of Ms. Roopila (Faculty in NIIT). At ANR Software Pvt. Ltd., Noida, Mr. Ankur (Assistant Manager, HR) and Ms. Pooja (HR Executive) demonstrated about the company and its working through a detailed presentation followed by refreshment. They told that ANR Software PVT LTD. is the sister concern with Altametrics LLC and it officiates from Noida. Altametrics LLC provides eRestaurant Solutions to their various clients like McDonalds, Pizzahut, friendly's, Mcalisters, Applebee's and many others. e-Restaurant, Orderbee, Xformality, Hubworks , HulaPos, e-Smart clock etc. were in their product list. They told that they required J2EE, Oracle (SQL), knowledge of DHTML/Java Script/XML etc. in their skill set and the students could get their career as a UI developer, QA developer, DBA, SEO, IOS developer in their company. The visit was very knowledgable for

the students as it was a IT based company. The students also showed a great interest in this visit and were happy with the interactive session with the officials of the company and found a worthy visit to build their career.
