

Press Release

A one day National Seminar on Mathematics and Computer-Computing and Communication (NSMCCC-2017) sponsored by DHE Haryana was organized in Aggarwal College Ballabgarh on 18th February 2017 by the Department of Computer Science and Department of Mathematics of the college. The Chief Guest of the Inauguration was Prof. Nasib Singh Gill, Professor & Head, MD University, Rohtak. He was also the keynote speaker. Guest of Honour was Dr. Jai Singh, Ex. Reader, NIT Kurukshetra, Mr. Devender Kumar Gupta, President College Governing Body, Aggarwal College Ballabgarh was the Chairperson. The Patron of the seminar was Principal, Dr. Krishan Kant Gupta. Dr. Yogesh Kumar Goyal, Associate Professor Department of Mathematics was the Convener of the Seminar and Dr. Sachin Garg, Head Department of Computer Science was the organising secretary. Participants from Panchkula, Noida, Delhi, Faridabad & different parts of India participated.

Prof. N.S.Gill congratulated the Principal & all the members of the management for having organized this seminar. He said that Computer and Mathematics complement each other and laid emphasis on latest technologies and innovations such as Cloud Computing, Big Data Analytics and Web Of Things. President, Mr. Devender Kumar Gupta highlighted the significance of Maths as a source of enjoyment and said teaching learning methods should change in sync with changing times and needs. Principal, Dr. Krishan Kant Gupta welcomed all the guests & said that this seminar will prove to be a watershed moment in bringing about quality change in developing innovative practices in Computer and Mathematics. Dr. Yogesh Kumar Goyal, Convener of the Seminar, presented the theme and said that Maths is the soul of Computers and further added that problems of one field are solved by the other so as they are complementary to each other.

After the tea break, two technical sessions were conducted which were Chaired by Dr. Manju Pruthi, Professor Indira Gandhi University, Meerpur(Rewari), Ms. Neetu Gupta, Department of Mathematics, YMCAUS&T, Faridabad, Dr. Jai Singh, Ex. Reader, NIT Kurukshetra and Ms. Rajni Bhalla, Associate Professor Department of Mathematics, Govt. College, Panchkula. The Invited Talks were delivered by Sh. Anil Kumar Goel, Ms. Rajni Bhalla and Dr. Manju Pruthi, besides paper presentations from different participants.

In the Valedictory Function, Prof. P.K. Kapur, Amity University, Noida was the Chief Guest. In his address he opined that both Computer and Maths are related and the linkage of Computer Science and Mathematics can produce quality software for many important fields that will help in upcoming needs like intelligent network, condensing algorithms with minimum resources.

The seminar was a grand success. Summary of the seminar was given by Dr. Sachin Garg, organising secretary of the Seminar, thus concluding the Seminar.
