

A 5 day Workshop on 'Economics : Principles and Applications in Globalised World' was organised by Aggarwal College Ballabgarh in collaboration with Global Economic Awareness Project, USA from 20th August, 2018 to 24th August, 2018. This Project is aimed at spreading economic literacy among young students worldwide through workshops to empower students for success and enable them to achieve their professional goals. The programme started with the welcome address of Principal cum Patron of the Workshop Dr. Krishan Kant. He said that this workshop is going to be quite informative and enriching for the students who are going to compete in this challenging world where the scenario is continuously changing. He ensured that this workshop will prove to be a memorable chapter for the students. Dr. Manoj Shukla, Convenor of the workshop expressed his gratitude to GEA leaders for helping in the organisation of this workshop. Mr. Matthew Almeida, Workshop Captain GEA Projects, USA, addressed the students and exhorted them to be innovative in their way of thinking. He also said that this Workshop will help students know the working of Economics globally. Mr. Aadil Chitalwal, Head of Project India, GEA Project, USA said that the Workshop's difficulty level and expectation will increase every day. Other GEA leaders present were Ms. Shreya Gupta, Mr. Scott Williams and Ms. Gabriella Almeida. Dr. Usha Chaudhary, Ms. Pratigya Chaudhary, Ms. Upasana Bhatt, Ms. Priya Raahi, Ms. Poonam Sharma and Ms Shubhra were also present as Members, Organising Committee.
