

Press Release

The five day workshop on faculty Development programme on the topic "Curriculum Delivery Using E-Resources and ICT Tools" has been closed on 3 Nov, 2018 . This workshop was organized by the Department of Computer Science. The objective of this workshop was to enhance the Curriculum lectures delivered using expert live video, video lectures, online classes, e-books, ICT knowledge and e-library which in turn will improve teaching and learning process. The workshop was organized under the guidance of Principal, Dr. Krishan Kant Gupta and under the leadership of Dr. Sachin Garg, Head Department of Computer Science . Principal, Dr. Krishan Kant in his address laid stress on ICT usage he said that in modern science and technological societies education demands more Knowledge of teacher regarding ICT and skills to use ICT in teaching–learning process because this knowledge helps a prospective teacher in future for the betterment of the students. All the faculty members of college were also present there. Various topics were discussed during the workshop, such as e-learning, e-books, lectured delivered by video, smart-board, power point presentation and e-library etc. Ms Pooja Gupta provides training on how to use e-resources and ICT to all the faculty members. All faculty members also showed their enthusiasm and had an Interactive session in this workshop. The teachers asked questions and got satisfactory answers from experts. The whole event was coordinated by Dr. Sachin Garg.
