

Press Release

An induction ceremony for the undergraduate science classes was organised on 31-08-2019 in the auditorium of Aggarwal College Ballabgarh. The motive of the ceremony was to make the students familiar with the staff and other activities going in the college. The ceremony started with the enlightenment of lamp by worthy Principal Sir Dr. Krishan Kant Gupta and other senior professors. The programme officially began with the worship of goddess Saraswati. Dr. Poonam Anand delivered the welcome address and appraised Principal Sir for achieving new heights in the domain of the college. Dr. K.L. Kaushik told the students about the rules and regulations, sports, clubs, talent hunt and Maths Club. Dr. A.S. Yadav introduced the students about Science Forum. Dr. Ashok Nirala told the students about NSS, Swachchhta Senani and YRC club and motivated the students to join the clubs. Dr. Yogesh goyal inspired the students to join NCC. Dr. Ram Chander told them about Library facilities and rules. Dr. Naresh Kamra told the students about various State & National level Scholarships. Mr. Manmohan Singla told them about office rules and regulations. After that, Principal Dr. Krishan Kant addressed the students. He motivated them to study hard, join clubs, follow the rules and regulations and wished for their bright future. Students were happy to know about all the clubs and facilities in the college and of course for getting refreshment. The ceremony ended with the vote of thanks by Dr. Sanjeev Gupta.
