

A seminar on 'Women in Leadership: Benefits and Challenges' was organized by women cell on 17 Jan 2020 at Aggarwal College Ballabgarh under the great guidance of Principal Dr. Krishan Kant Gupta. The seminar was started with lighting the lamp before Goddess Saraswati . Madam Kamal Tandon Welcomed the guests by presenting plants to them. Mrs. Renu Bhatia (Member Haryana State Women Commission and CA Priyanka Garg were the resource person . In her address , Mrs. Renu Bhatia shared her life experiences with the students and inspired them to think out of the box, have passion and to face challenges confidently to achieve success in life. She asked them to become the role model of themselves and avail every opportunity that comes in their life. She also shared some incidents of women harassment and advise them to remain alert and attentive.

CA Priyanka Garg motivated students to become multi-tasker and she advised them to always look at their strength rather than weakness. The seminar was organised by Dr. Shobhna Goyal and Dr. Geeta Gupta, Incharges of Women Cell. Around 150 students participated in this seminar with keen interest. Dr. Rekha Sain, Dr. Dimple and Ms. Supriya were also present there.
