

On 29.01.2020, An Awareness Programme on e-waste Management was organised under the Swachchhta Senani Team of Aggarwal College Ballabgarh on 29.01.2020 in collaboration with an NGO-Action in Community and Training, New Delhi. This NGO is an awareness partner on the issue of e-waste with Karo Shambhav. Through a presentation on E-waste awareness and interactive games, Ms. Gurmeet Kaur and Mr. Tapas Chatterji had a healthy discussion with around 150 students present. She said that besides pollution, diseases also spread due to e-waste. She also apprised audience to deposit their e-waste to authorised waste management departments. She further added that we should buy only on need basis and not for desires. The programme was conducted by Dr. Sanjeev Gupta and Dr. Sarika Kanjlia. Also present was Dr. Inayat Chaudhary.
