

GUEST LECTURE ON "INNOVATIONS IN MATHEMATICS"

'Innovation Hub' and 'Mathematics Department' of Aggarwal College Ballabgarh organised a lecture on "Innovations in mathematics" on 17 July 2021 under the able guidance of Principal Dr. Krishan Kant. The lecture started with the welcome address by Dr. K.L Kaushik (H.O.D Mathematics). Prof. Rajeev Kumar, Head Department of Mathematics, M.D.U Rohtak was the keynote speaker. In his lecture, he told the students about the meaning of mathematics and its various applications. He also told the students about the latest trends and innovations in mathematics. He said that strong will and determination is the backbone of innovation in mathematics. After the lecture, students put their curiosity in front of the keynote speaker through questions and the guest answered them with great ease and simplicity. A total of 40 students were benefited from this lecture. The lecture ended with vote of thanks by Ms. Priya Arora (Assistant Professor, Department of Mathematics). All the staff members of Mathematics Department including Ms. Neha Goel, Ms. Renu Bala and Ms. Geeta Tripathi attended the lecture attentively.
