

Induction Program for Fresher Students (All B.Sc. courses) on 26-10-2021

Science forum of Aggarwal College Ballabgarh organized an induction program for first year students of all B.Sc. courses on 26.10.2021 at 11 AM in the college auditorium. Aim to organize the induction program for recently entered first year student is to familiarize them with work culture established in the college. The program started with devotion to Maa Sarasvati, the goddess of knowledge and then college is visually introduced to students via college anthem. Then, Dr. Manoj Shukla, Convener NAAC, introduced Principal sir, Dr. Krishan Kant Gupta along with college at a glance. After it, all H.O.D. of the departments related to various B.Sc. courses, delivered a brief introduction of their departments along with respective departmental achievements. Dr. Ram Chander, gave information to students about the functioning of library along with book issuance rule & regulations. Various types of scholarships and financial assistance & support from the college are described by Dr. Naresh Kamra in an organized manner. Dr. Sanjeev Gupta introduce the students about various cell/societies working in the college. Along with classroom teaching, these societies have ingredient role in the inclusive development of the students. Dr. Yogesh Goyal and Dr. Ashok Kumar Nirala familiarize the students about working and enrollments in the National Cadet Corps (NCC) and Youth Red Cross (YRC) respectively. A feedback session is also organized in the end of the event so as students can share their experience till far and to highlight the issues they have faced till far. Mr. Ravinder Jain, H.O.D. Physics department and Convener, Science Forum of the college gave vote of thanks. The program ended with blessings of Principal sir, Dr. Krishan Kant Gupta. He not only highlighted timeline of college achievements in the past but also put forward the clear-cut vision and mission of college. Over 100 students were present in this induction program. All the information related to functioning of Laboratories, library, work & conduct in the college campus along with enrollment and operations of various societies was delivered to first year science students in a articulate manner so that student could maximize their benefits.
