

An Interactive Session was organized by Centre for Entrepreneurship and Skill Development (CESD) Aggarwal College Ballabgarh in collaboration with National Small Industries Corporation (NSIC) on 11-11-2021 under the able guidance of Principal Dr. Krishan Kant to discuss certificate courses which are to be commenced from the session 2021-22. The session was divided into faculty wise sub sessions – Science, Arts & Commerce from 10:30 AM to 01:00 PM.

This discussion was organized to offer the skill development programme to UG students to nurture them for employment & self-employment opportunities. Resource persons from NSIC Mr. Manish Kumar Dubey & Mr. Vipin Kumar encouraged the students by highlighting the importance of these courses in today's scenario. For Science students, these courses were allotted - Internet of things, website designing & certificate course on C/C++. Which were briefed by Ms. Riya. For Commerce students, two courses were allotted – Digital Marketing & Accounts Executive which were briefed by Mr. Nitesh Tiwari. For Arts students, two course were allotted – Desktop Publishing & CCTV Installation which were briefed by Mr. Dheeraj. Dr. Poonam Anand, Dr. Naresh Kamra motivated the students by emphasizing that these courses are need of the day. Coordinators of these certificate courses Ms. priya Arora, Dr. Devender, Dr. Meenu Aggarwal, Mr. Subhash, Ms. Priti & Ms. Renubala were also present.
