INVITEDTALKBYENERGYCONSERVATIONCLUB01.02.2021

The Invited talk was organized on 01.02.2021 by Energy Conservation Club under the able guidance of the Patron & Principal Dr. Krishan Kant, Aggarwal College Ballabgarh. The Resource person for this talk entitled “Measuring, Managing and Mitigating Air Pollution in Faridabad” was Ms Shambhavi Shukla from Centre for Science and Environment. The Convener, Dr. Poonam Anand, gave the formal welcome address and acquainted the participants about the need to have an insight picture of air pollution and its detrimental effects. The talk started at 4:00 pm. Ms Shambhavi Shukla threw light on ill effects of toxic air quality and PM10 on health in Delhi NCR. She also talked about the action plan taken by Centre for Science and Environment and motivated all the participants to join hands to overcome air pollution by taking small steps like installation of Sameer App from Play store to be used for reporting burning of waste. The talk was quite interactive and ended with Vote of thanks given by the Co-Convener Dr. Naresh Kamra. The talk was attended by Dr. Ritu and Dr. Meenu Aggarwal, members of Energy conservation Club and 95 students.
