Today on 1 July 2021, a national webinar on "Need and opportunities for skill training was organised by Entrepreneur Club of Aggarwal College, Ballargarh. The chief guest of the Program was "Dr. Krishan Kant Gupta" The Principal of Aggarwal College, Ballargarh. He said the topic of webinar is very relevant for the period because where opportunities exist there is lack of skilled employees and where we have skilled employees there is lack of opportunities. Therefore, skilled employees are the need of hour. He said we should find out the gap between opportunities and the employment. He also added that strong will is required for doing any work. He inspired the student to make a co-ordination between favorable and unfavorable Circumstances. The Resource Persons of the webinar was Mr. Ram Kumar Yadav, Deputy General Manager, NSIC, TSC, Neemka, Faridabad. He started his talk with the words of wisdom that energy should be directed in right direction. He motivated students that practical knowledge is more important instead of getting theoretical knowledge. He shared various areas of opportunities to students with few investments. He added how NSIC works and helps students in training & placement. He said trained knowledge is the requirement of all corporate sectors and have a lot of opportunities for them. He also told about various training programs ran by NSIC like Industrial machine, home appliances training, solar - energy kit training, Tally with GST etc.

The session was very interactive and students asked many questions from the resource person and the resource person satisfied them by giving answers in a very interesting way. In this webinar, more than 100 participants were presented from different parts of the country. The webinar was organized by Dr. Manoj Shukla, Convener of the program and his team members Dr. Sanjeev Gupta, Dr. Dimple and Mr. Vineet Nagpal (Technical assistance). Overall, it was very fruitful and learning webinar.
