

A national level online poster making competition on the topic "Evolution of Cloud Computing and Cyber Security" was organized by the Department of Computer Science under the able guidance of Dr. Krishnakant Gupta, Principal of Agrawal College Ballabgarh. Convener Dr. Sachin Garg ensured smooth conduct of the event. Organizing Secretary Jyoti Gupta conducted all the activities of the poster making competition. 2 weeks time was given for registration and uploading of posters in which 204 students from different colleges of the country registered. Poster Making Competition was conducted online through Google Form and the respective link was opened from 12-11-2021 to 25-11-2021 till 02:00 PM. The members of the organizing committee were Pooja Gupta, Reena Kinger. The results of the event are as follows- Laxmi Devi of CRDAV Girls College, Ellenabad secured first position in the poster making competition. Greshi of Agrawal College

Ballabgarh secured second position. Karan from Agarwal College Ballabgarh and Ankita from DAV College for Girls, Yamuna Nagar secured the third position. All three position holders were ranked based on their relevance to the themes of creativity, originality, artistic composition and poster submission. This National Online Poster Making Competition was a huge success with the successful participation of 204 students. Each participant was given an e-certificate.
