Action Taken Report
(2019-20)

- All departments having post graduate classes has made it compulsory for every student that he/ she should give one PPT using any topic in the course and faculty should promote web learning so that students get more exposure.
- Department of Computer Science has introduced modern concepts in all courses so that students should aware of new concepts.
- In the Social Science courses, faculty co-relates every topic with the current affairs in that area so that students understand its relevance, significance and potential.
- Departmental library of Science Stream make available to the students photocopies and notes on various topics in the courses for higher understanding in the concerned subject.
- In the Language courses, students should be motivated and involved in newspaper reading and preparing notes on current issues both in English and Hindi.
