

Today, on 29.12.2021, under Unnat Bharat Abhiyan Yojana, a **“Poster Making and Slogan Writing Competition”** was organized for the students of Government High School of Village, Sotai under the able guidance of Aggarwal College Ballabgarh, Principal Dr. Krishan Kant Gupta Ji. The themes of which were **"Save the girl child", "Benefits of Yoga" and "Waste Management"**. Mrs. Pooja (Member of UBA) and Mr. Bhagirath and Mr. Rakesh Kumar (School Teacher) conducted all the activities of the competition. Such competitions were organized for the students to enhance their skills, their knowledge and also improve their presentation with communication skills by making posters. The results of the event were as follows - Prithvi from 9th class got first position, Chetna from 10th got second, Soniya from 10th got third and Guddi from 8th got consolation prize in poster making competition. In the slogan writing competition, Prashant from 9th class got the first position, Arun from 9th class got second, Tanisha from 9th got the third position and Somya from 10th class got consolation prize. The winners of the competition were decided on the basis of creativity, originality and artistic creation. The program concluded with the successful participation of 32 students.

Under this campaign, survey of Sotai village was done and after that keeping in mind the problems of the village, it was decided to work on them. In Sotai village, Mrs. Pooja (Member of UBA) and the students shared information about the certificate course with the village school teachers as well as the villagers and told them the details of the course work and asked them to identify the drop out students and asked to arrange a meeting with their parents also. The benefits of certificate course being run by the college was also discussed with the villagers which is completely free and of minimum 6 months duration. The people of the

village listened very carefully to the important information related to the certificate course and everyone got inspired.
