

A Webinar was organised by Aggarwal College Ballabgarh in association with Dynamic World Education Community. The purpose of today's webinar was to encourage students to join various customised services provided by the institution. The highlight of the institution is to provide personalised counselling, its no cost policy where there is no consultation charges for students and its various counselling centres spread across India, Middle East and Africa. Other services that are provided include test preparation, immigration, visa and Education Loan assistance.

The institute has helped approximately 33,000 students choose courses in several countries. The vision of this company is to be the most trusted and preferred partner for graduate and undergraduate students aspiring for higher education from the best institutions across the world. The institution also provides genuine transparent advice and help students make a best choice in international education.

Most of these courses provided are of minimal or nominal cost. These courses range from various streams like Business Studies, Technology Studies, Engineering Studies etc. It also covers the Healthcare sector like Nursing Studies, Medical Studies, Biomedical Studies and so on. Students interested in other streams like Social Sciences, Management, Journalism, Law and Hospitality can also associate themselves with this institution. Further, the organisation helps Indian institutions to establish MoUs with foreign universities. It also paves way for the students to reach globally recognised universities and helps in promoting the institutions at a global level. In other countries, DWEC conducts various educational fairs both virtual and in campus. Regular workshops, webinars, off-line events at the campus are also conducted. It is also equipped to provide language trainings along with many scholarship programmes.

Congratulating Mr. Vineet Mehrotra, Principal Dr. Krishan Kant applauded him for highly interesting, informative and eye opening lecture. He also invited Mr. Vineet for a memorandum of understanding with his organisation so that the students of the college who cannot afford many offbeat courses can find an easy access to international universities. He also told Mr Vineet that the college has been accredited A+ + grade with 3.57 CGPA by NAAC due to unparalleled achievements in academic and co-curricular activities. He also told about the glorious achievement of our student Manish Narwal who got a gold medal in Paralympics Tokyo 2020. The webinar ended on a very positive note by providing hope to make the journey of students easy to pursue education abroad.
