

Today, on 3rd December, the Commerce Department of Aggarwal College Ballabgarh organized a webinar on “Financial Literacy Awareness”. This program was done with the guidance and inspiration of our Principal Dr. Krishan Kant Gupta. The keynote speaker of the program was Ms. Nidhi Mehta. The program was conducted by Dr. Rekha Sain (Convener). The keynote speaker made the audience aware of financial literacy and told that how important is financial literacy in our life and where we can invest our finances so that we can minimize the risks and get maximum benefits. He also shared his thoughts about portfolio management, how to build a portfolio. He also added that literacy is the ability to manage one's money. The goal of financial literacy is to help them understand financial concepts that will help them manage their money better. It is a life skill that must be understood for good financial well-being. Financial literacy also includes budgeting, investing, insurance, loans and interest. In this program Dr. Shobhna Goyal (Co- convener) along with team members Dr. Dimple, Ms. Pooja, Ms. Priti Agarwal, Ms. Shanu, Ms. Preeti, Ms. Komal Tondan were also involved. 100 students participated in the program and pacified their curiosity by asking many questions to the keynote speaker. The Principal encouraged the entire team for the success of the program.
