College with Potential for Excellence (CPE) Status by UGC

Affiliated to M.D. University, Rohtak

Evaluation of Feedback from Alumni (2021-22)

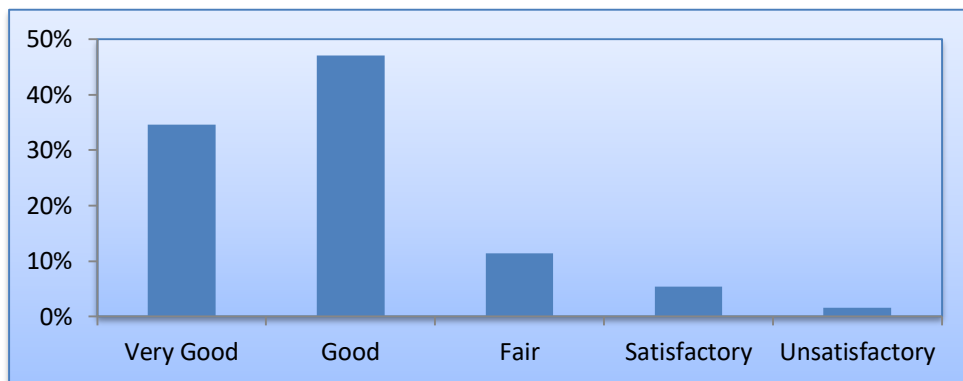

1. Fee Structure

Action Taken

The college, being affiliated and government aided, has no power to make any modification in fee structure. However, the managing committee has introduced schemes for students of different categories. University toppers and outperformers in sports get full fee concession. Besides, students are given to pay fees in instalments for the academic year.

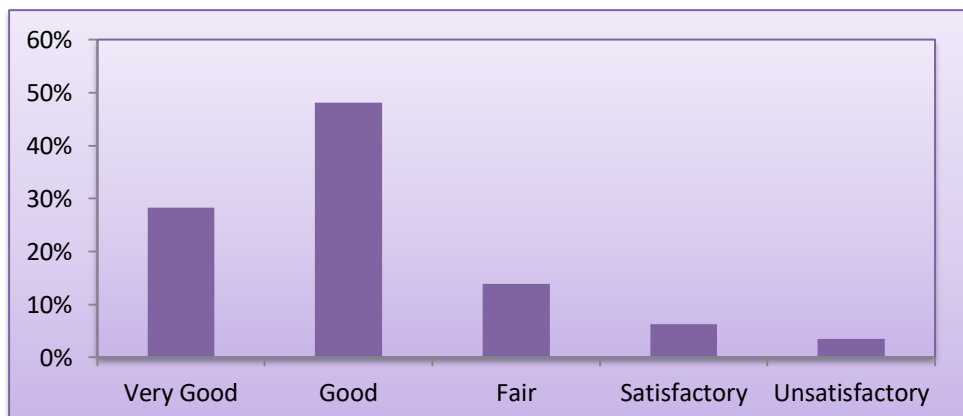

2. Admission Process

Action Taken

Admission process in the state of Haryana is centralized. However, the college sets up a counselling desk in computer labs of the college headed by an assistant professor. The new students are properly guided for the courses in the college. Besides, the students can upload their admission forms from the computer labs.

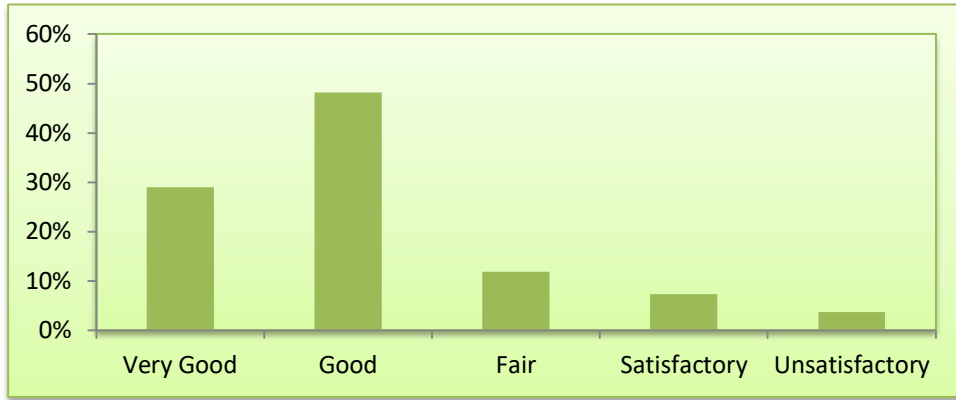

3. Infrastructure & Lab Facilities

Action Taken

More classrooms with fitted with Smart Boards and three smart podiums shall be put in the class rooms. The college auditorium is equipped with smart board and modern audio visual facility.

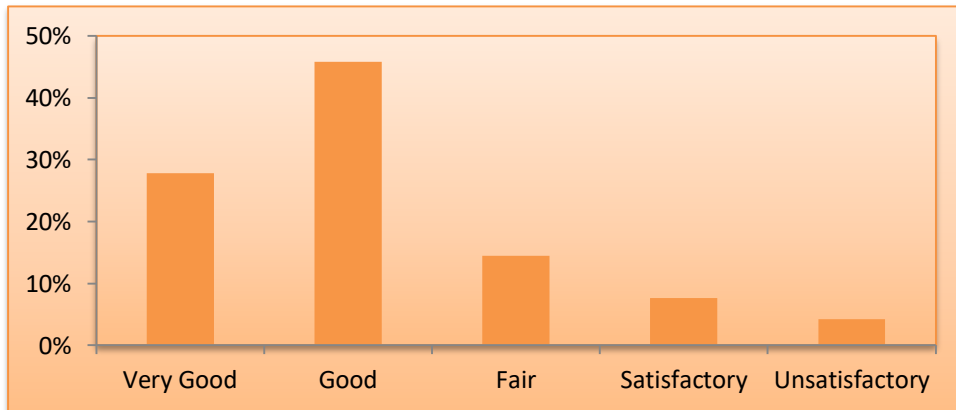

4. Environment

Action Taken

- College will provide more drinking water facilities and other amenities in the campus
- More facilities will be provided in the common room and capacity of reading room will be expended
- There will be a separate person in the office who deal with everyday grievances, if any

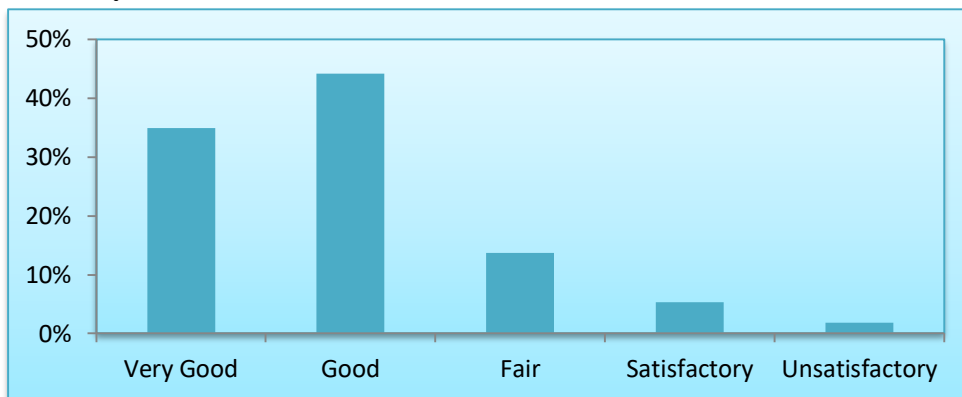

5. Project Guidance

Action Taken

In classes where project work is mandatory, a teacher will be allocated only three students for guidance in project work. The work on project will start with the commencement of the session so that project gets completed in time.

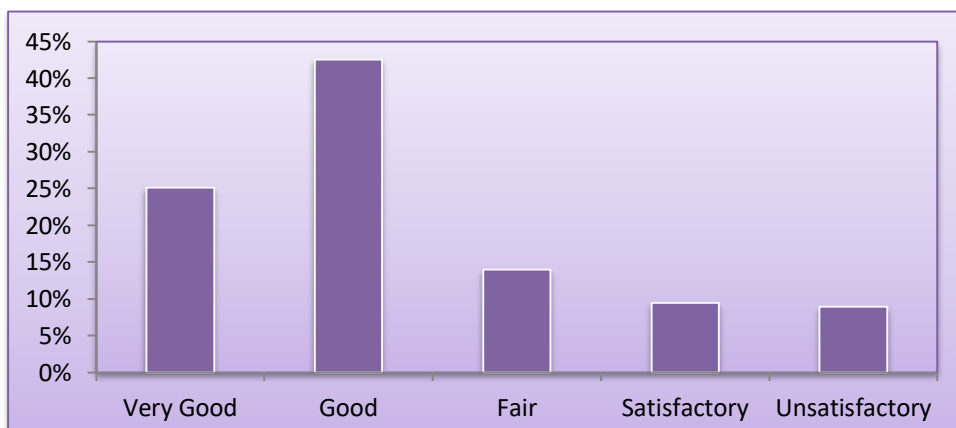

6. Faculty

Action Taken

College will arrange more faculty development programmes so as to acquaint them with modern pedagogy skills

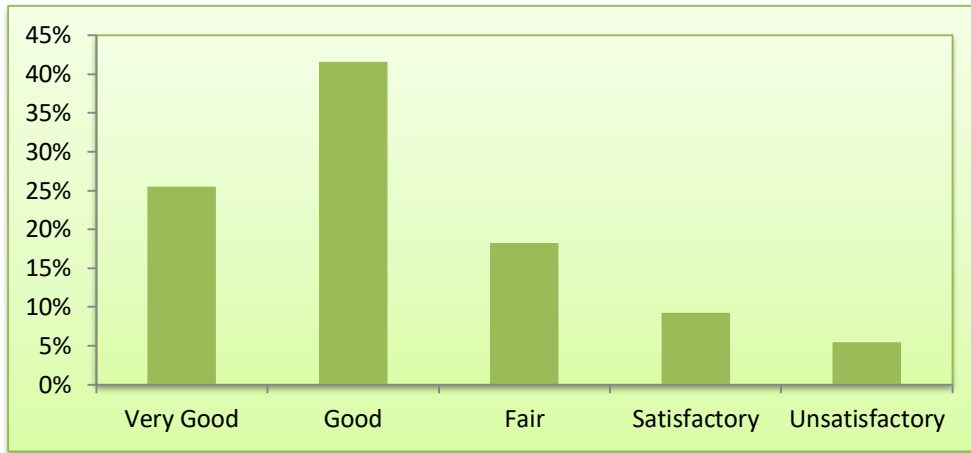

7. Training & Placement

Action Taken

- The college is arranged more session for providing soft skills to the students.
- College will sign more MoUs with other Institutions for imparting core skills to the students to enhance employability
- There will be special drive for employment by arranging job fare twice in year

8. Quality of Support Material

Action Taken

To improve upon the existing facilities for quality enhancement following steps are taken:

- To arrange special classes in IT skills for students so that they use IT in learning
- Faculty will also be trained in new IT skills for effective teaching environment

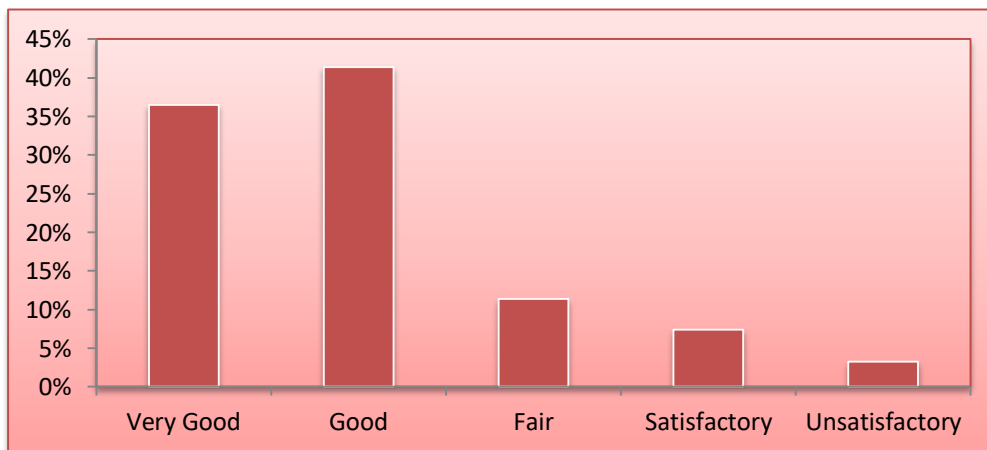

9. Canteen Facilities

Action Taken

A Teacher will be assigned duty per month to review the quality, variety and prices of the items sold in the college canteen. Regular feedback will be taken from the students

10. Library

Action Taken

Reading room of the library will be expended and updated with new magazines and journals.
