

## Guest Lecture organised by Department of Mathematics

A Guest/Extension lecture was organized by Department of Mathematics, Aggarwal College Ballabgarh on 15.10.2022 under the able guidance of Principal Dr. Krishan Kant Gupta. Dr. Advin Masih, Assistant professor, Manav Rachna University, Faridabad was the keynote speaker. He delivered his lecture on the topic " Geometry of sub manifolds in an almost contact metric manifold". The programme started with the welcome address by Dr. K.L Kaushik, H.O.D , Department of Mathematics. Dr. Advin Masih told the students about the geometry, curvature, data analysis and their applications .He took some real life examples to explain the geometric concepts in a very easy and understandable way. He motivated the students to go for higher studies and pursue career in mathematics. After the lecture, the students put their curiosity in front of the keynote speaker by asking questions and the attendee answered them with great pleasure. A total of 75 students were benefitted with the lecture. The lecture ended with the vote of thanks by Dr. Mamta Thakur.
