Guest Lecture by Department of Computer Science

On 23rd November 2022, Department of Computer Science Aggarwal College Ballabgarh, organized a Guest lecture on the topic "**Emerging Technologies in the Corporate World**". This event was organized under the patronage of college Principal Dr. Krishna Kant. In the beginning of the session Dr. Sachin Garg, Head Department of Computer Science delivered the welcome speech and presented a bouquet to Mr. Himanshu Singla, CEO & Founder of Online Trouble Shooters. Dr. Sanjeev Gupta, Incharge SFS, addressed and insisted the students to be part of such events as these events help to groom their overall personality. The speaker of the program was Mr. Himanshu Singla, a Serial Entrepreneur, Investor and Coach of Web Hosting Company Online Trouble Shooters. He focused on the various emerging technologies like j-Script, Python, Canva, Advance Excel, Flutter, Fiverr etc.

He comprehended the students "Troubleshooting is a systematic approach to problem-solving that is often used to find and correct issues with complex machines, electronics, computers and software systems". More than 80 students of BCA and B.Voc (Software Development) participated in this program. The convenor of the event was Dr. Sachin Garg. The session proved highly interactive and fruitful for students.
