

Inaugural Function of SDG Club at Aggarwal College

Aggarwal College Ballabgarh has inaugurated Sustainable Development Goals club on 30th May 2022 under the able guidance of Principal, Dr. Krishan Kant. The club has been set on the 17 goals of United Nations set in September, 2015. The college has adopted 4 goals which are Good Health and Well Being, Quality Education, Gender Equality and Affordable and Clean Energy. Eight co-ordinators have been appointed for these four goals along with 120 student volunteers from different courses. Dr. Krishan Kant, Principal and chairman of SDG s Club gave Inaugural Address and explained the urgency and demand of time for the requirement of this club and further told how this term was coined and what effects and goals of this club will be. He emphasised on the power of youth required in bringing about the change in today's time. He blessed all the co-ordinators and students and wished them luck for the bright outcome of this club. The function started with the lightening of lamp by the dignitaries. Prof S.K. Chakarvarti also graced the occasion as Chief Guest. Dr. Inayat Chaudhary while anchoring the event also highlighted the importance and need of this club, followed by a detailed presentation given by Dr. Manoj Shukla Convener of the SDG Club Mr. Subhash, co-ordinator of affordable and clean energy goal also briefed about the goal and guided students that how with just small steps they can very easily accomplish this. Dr Geeta Gupta proposed the vote of thanks. The event concluded with Rashtra Gaan.
