

Press Release

Today on 15/03/2022 an Induction Programme was organized for two new Certificate Courses under Skill hub initiative at Aggarwal College Ballabgarh. The college has started two free of cost Certificate Courses, one in Retail sector, “Store Operation Assistant” & the other is “House Keeping Attendant”. Both the Courses are ignited by UGC & NSDC under Skill Hub initiative of Skill India Programme. These programme are especially designed for the dropout students of 10th, 12th & college. On this occasion, Principal Dr. Krishan Kant Gupta ignited the lamp in front of Maa Saraswati & welcomed the newly registered students of these courses. In his deliberation, Principal focused on hard work & persistence and elaborated that the retail lab, Computer Lab, & other infrastructural facilities will be provided free to them in the college during their classes. Industrial trainings will also be organized to bring their students parallel to the regular students in term of expertise.

On the occasion Dr. K.L Kaushik, Nodal officer of Skill hub Courses elaborated the scope of these courses & told about the placement opportunities in the market. He highlighted that students will be taught with the latest Curriculum & Modern Smart teaching methods.

The stage was conducted by Dr. Dimple & detailed description of the courses were presented by Ms. Poonam Rautela. The occasion was graced by senior faculty member of teaching & non-teaching staff. Around 80 students were present to attend the session & they were very excited to begin their new journey of life through these courses. The function concluded with National Anthem.
