

Department of Commerce of Aggarwal College, Ballabgarh, has organised an internship training under the scheme "**Earn while you Learn**" for B.com final year students of the college. A cash incentive of Rupees 6,000 was awarded by Shyam Sunder Mangla & Co. LLP, Chartered Accountants, Faridabad. Total Six students, Mohit, Harsh, Bhawna, Sanjana, Anshul, Aarti from B.Com final year course completed their internship wherein they acquired the pragmatic knowledge related to the verification of inventories and gave tremendous response about the same. The internship was for 3 days starting from April 1st, 2022 till April 3rd, 2022. This internship helped in gaining experience and also put their classroom knowledge in a real world setting. An opportunity was provided to students from the college to enhance and nurture their skills and capabilities. Exposures like these are beneficial and valuable to students and their growth. The Principal of the college, Dr. Krishan Kant Gupta, congratulated all the interns for the successful completion of the training and appreciated the efforts put up by the Department of Commerce and he also emphasized the relevance of these trainings in developing the skills which students need to thrive within a professional setting and bestowed an assurance that college will make all the efforts to organize such trainings in future also.
