Induction Ceremony cum Career Counselling Session organised by Computer Science Department of Aggarwal College Ballabgarh

On 18-10-2022, with the beginning of new academic session, the Induction Ceremony of first year undergraduate and post graduate students of computer science Department was organised in the Conference Hall at Wing-III. Dr. Pooja Gupta started the ceremony by inviting the guest to light ceremonial lamp along with Saraswati Vandana.

Under the able & inspirational guidance of college Principal Dr. Krishan Kant Gupta, many Vocational and skill programmes are organised in this college. The theme of this induction ceremony cum counselling session was "Think Digital, Do Digital". Dr. Sachin Garg, Dean of Computer Science Department delivered the welcome speech and apprised the students about rules and regulations of the college. Dr. Sanjeev Kumar Gupta, Incharge of Self Finance Wing-III, showered his blessings to the newly admitted students and he elaborated that this year with the collaboration of IPCA-CX India, Digital Marketing Course and communication skills programmes will be introduced. He motivated the students to convert their pressure into pleasure. Mr. Manoj Singh, Director of IPCA-CX India, told the importance of Digital Marketing and Communication skills in Modern times. In this programme, about 180 students took active participation and shared their experiences about healthy environment of college, elegant computer labs and laborious teachers with full zest. Mrs. Mohini Verma cast the vote of thanks.
