

Under the directions of Maharshi Dayanand University, Rohtak, A Tree Plantation fortnight is being celebrated by Aggarwal College Ballabgarh starting from 14<sup>th</sup> to 28<sup>th</sup> July 2022 under the guidance of Principal Dr. Krishan Kant. Several activities were conducted under this campaign such as tree plantation, Nukkad Natak, Quiz, Slogan and Poster Making Competitions etc. to make the public aware of global warming and importance of tree plantation. On 27<sup>th</sup> July, coordination of Swachhta Senani Team – Dr. Sarika, Dr. Rekha and Ms. Mohini visited Govt. Sr. Sec. School, Chandawali, to spread awareness on Environment preservation and conservation. This programme was very successfully coordinated with Street Art Mural Club and Swachhta Senani Team. Students of College ‘Team Bati’ presented a skit on ‘Save Environment’ in front of school children. They gave the message of using paper and jute bags instead of plastic ones and thus help in saving environment. The coordinators and students distributed jute and paper bags among school kids and teachers, thus making them aware. They interacted with the school students and helped them understand the importance of saving the environment. The Nukkad Natak was a huge success. The Principal of the school Mrs. Bimlesh fully cooperated and promised to guide the students in their matter.
