

**Conversion of barren land into green land by Aggarwal College,  
Ballabgarh**

Out of Campus Environmental Activities in the form of conversion of barren land into green land at Malerna Govt.Middle School, Village Malerna has been undertaken by Unnat Bharat Abhiyan Cell & YRC of Aggarwal College, Ballabgarh for the last ten days till 29<sup>th</sup> March, 2022 under the able guidance & blessings of Principal Dr. Krishan Kant Gupta. He led the work to maintain the barren land of school by planting grass in 4000 sq. ft. area and encouraged the whole team of UBA and YRC to move forward. The Principal of Malerna Govt. Middle School, Mr. Samar Deshwal appreciated the efforts initiated by him. Dr. Meenu Aggarwal, Incharge of Village Malerna, UBA team and Mr. Lovekesh, Counsellor of YRC planted there almost 40 different saplings of Jamun, Aloe Vera, Sadabahar etc. in school along with the volunteers of UBA and YRC. The Coordinators of UBA Cell Dr. Sanjeev Gupta, Dr. Ashok Kumar Nirala & YRC motivated the volunteers for this work. The objective of planting in school grounds does not only provide an aesthetic environment in which students live in but also creates an educational environment that offers teachers the opportunity to teach various subjects and enhance environmental awareness of student. The schoolteachers along with their students also participated in the drive enthusiastically and helped each other in planting the saplings. This plantation drive was successfully supported by the Management of Aggarwal College, Ballabgarh.
