

A webinar was organized under the collective aegis of Women Cell and Entrepreneurship for Girls (EFG) on 1st February 2022 in Aggarwal College Ballabgarh, whose theme was "Innovative Ideas and Startups". Successful Women Entrepreneur and Director Smt. Jaya Goyal was present as the keynote speaker. Under the guidance of College Principal and Patron Dr. Krishna Kant Gupta, Many programs are organized from time to time for the all round development of the students. In this series, this webinar is organized with the aim of giving detailed information about entrepreneurship and startups to students. In the beginning of her statement, Smt. Jaya Goyal, gave detailed information on the topic for the students to become self-reliant. First of all, she stressed the need for hard work and passion to be a successful entrepreneur through some live examples. She added that to have an innovative idea is very necessary for a startup and the idea should be such that the next generations also take this business forward. Along this, she also told about five pillars necessary for establishment of a business, as to have GST, PAN number, commercial address etc. Also, she told that today the government has made everything transparent, easy and online. She also informed about Udyog Aadhar memorandum number on MSME and told that there are more than 5000 business startups in Delhi, so Delhi has reached the first place in startups leaving Bengluru behind and clarifying the difference between standup and startups. She said that stand up is only for women and while motivating the girl students, she laid special emphasis on writing their thoughts in their diary and implement it. The program was conducted under the able leadership of Dr. Geeta Gupta, Dr. Dimple, Dr. Rekha Sain and Dr. Sarika Kanjlia, Dr. Renu Maheshwari and Ms. Pooja. The students got new information by resolving their doubts through many questions. Around 100 students were benefited by participating in this workshop.
