

Today, on 25 January 2022, a webinar was organized by the Entrepreneurship for Girls (EFG) of Aggrawal College in association with Rotary Club Faridabad Tulips with the theme 'Career Guidance on Parlor Business'. This program was organized under the able guidance and leadership of Dr. Krishna Kant Gupta, Principal of the college. The Principal said that along with the Beti Bachao and Beti Padhao campaign, it is very important to make the daughter self-reliant. He said that daughters should move ahead in the field of entrepreneurship and build a new nation. He said that in today's time, along with inner beauty, outer beauty has its own importance. The keynote speakers at the event were Dr. Nidhi Agarwal, who is the President of Rotary Club Faridabad Tulips and Mrs. Sunita, who is a trainer by profession. Dr. Nidhi Agarwal told that parlor business is the need of the hour. She said that in collaboration with Rotary Club, Faridabad and Aggrawal College, a certified parlor course is being started for girls in the college. She told that the main objective of this course is to make girls self-reliant and to give them a new identity as entrepreneurship. She told how we can start this business with zero investment. Mrs. Sunita, Trainer told that what will be taught to the girls under this course and how will it be assessed. She also explained the opportunities and challenges arising out of this business in very simple words. Keynote speakers shared their knowledge and experience with the participants and made them aware of this subject by giving many live examples. About 100 students enthusiastically participated in this program and asked many questions to the keynote speakers. The keynote speakers answered their queries and answered them appropriately. The convener of this program were Dr. Dimple, Co-convener Dr. Rekha Sain and Co-ordinator Dr. Geeta Gupta. This program was successful due to all their efforts. The program ended with vote of thanks by Dr. Geeta Gupta. The Principal congratulated the entire team for the success of this program.
