

Talk and Slogan Competition by Sustainable Development Goal Club

On 3rd March 2023 A talk and slogan competition was organized in Aggarwal College Ballabgarh under the aegis of Sustainable Development Goal Club. This program was organized under the direction of College Principal Dr. Krishan Kant Gupta, so that students can have better to fully understand the topics of health, gender equality, education, technical information, protection of the environment, etc. The speaker of the program, Dr. Bhavna Sayal Associate Professor in Rawal Institution said in her statement that everyone should cooperate with each other to make the future bright. You can do through the club. Participation in all the activities defines the quality of your education. We can convey the message of equality between men and women to the society by performing street plays. The coordinators of the program were Dr. Rekha Sain and Dr. Devender. This talk and slogan competition was organized by the club under the supervision of convener Dr. Manoj Shukla, so that the students can adopt the goal of sustainable development in their lifestyle. Various activities are organized regularly. Rakhi (B.A-II) secured first position, Manvinder (B.Sc. Physics Hons.-III) second and Anjali (B.A-II) secured third position in slogan competition. College Principal Dr. Krishan Kant Gupta congratulated all the winning students and appreciated the participants for their participation.
