

A guest lecture on Nanotechnology

A guest lecture was organized by the department of Physics, Aggarwal College, Ballabgarh in the college laboratory on the topic of recent advancement on nanotechnology on 09 February, 2023. This program was organized under the patronage of principal, Dr. Krishan Kant Gupta. The keynote speaker of the program is Dr. Parmod Kumar, Department of Physics, J. C. Bose University of Science & Technology YMCA, Faridabad. Dr. Devender welcomed all the guests and introduced the speaker Dr. Parmod Kumar to everyone. Dr. Parmod Kumar has delivered lecture on the recent advancement of nanotechnology. He explained the difference between bulk and nanoparticles to the students and also threw light on the various methods of synthesis and characterization of nanoparticles. The program was successfully conducted under the guidance of Mr. Ravinder Jain, Dr. A. S. Yadav and Dr. Sanjeev Gupta. These types of programs based on recent technology motivate students to work in the field of research.
