

Online Seminar on "Intellectual Property Rights (IPR)"

An Online Seminar on Intellectual Property Rights (IPR) was organized by Department of Mathematics, Aggarwal College Ballabgarh on 16.02.2023 under the able guidance of Principal Dr. Krishan Kant. Mr. Vinay Yadav, GST income tax and IPR consultant, Faridabad was the keynote speaker. The programme started with the welcome address by Dr. K.L Kaushik, (Convener), H.O.D, Department of Mathematics. The main objective of this seminar was to create awareness among the students about various intellectual property rights. Mr. Vinay Yadav told the students that Intellectual property rights (IPR) are the creations of mind or intellectual works that are protected by law. He discussed the seven types of IPR including patents, trademarks, copyrights, trade secrets, geographical indications, industrial designs and plant variety rights. He also told that IPR is prerequisite for better identification, planning, commercialization, rendering, and thereby protection of invention or creativity and each industry should evolve its own IPR policies, management style, strategies depending on its area of specialty. After the lecture, the students put their curiosity in front of the keynote speaker by asking questions and the attendee answered them with great pleasure. Ms. Priya Arora and Dr. Mamta Thakur were the organizing secretaries and Dr. Naresh Kamra, Ms. Neha Goel and Ms. Renu Bala were the coordinators of the programme. A total of 81 participants were benefitted with the lecture. The lecture ended with the vote of thanks by Ms. Priya Arora. All the staff members of Mathematics Department including Dr. Geeta Tripathi, Ms. Khushali Tyagi, Ms. Poonam Gupta attended the lecture with great enthusiasm.
