

Report

On 13-02-2023, Department of Management & Department of Physics, Aggarwal College Ballabgarh organised a one-day seminar on topic “Data Analysis and Interpretation” in the area of Research Methodology. The college keeps conducting such awareness sessions under the dynamic leadership of Principal Dr. Krishna Kant Gupta. The seminar was conducted under the patronage of Dr. Sanjeev Gupta, Wing III. Dr Shilpa Goel Dean Department of Management & Mr. Ravindra Jain Dean Department of Physics, convener of the program coordinated the whole session. Dr. Archana Bhatia, HOD of Commerce Department, DAV Centenary College, Faridabad was the speaker of the day. She explained students how to design, conduct, and evaluate business research and exposed students to a wide variety of research approaches across many disciplines. She also explored the processes and problems of designing and conducting various kinds of research and how to analysis data and interpretation by applying regression to a variety of business areas and problems so students can gain an applications-guided understanding of regression analysis theory. The session concluded with a Question-Answer round where students asked their queries and showed their interest in research. Around 150 students attended the seminar. The session was highly interactive and ended with a vote of thanks by Dr Devender, Dy. Convener of the program. The stage was conducted by Ms. Deepmala Chauhan. All the faculty members of the Management and Physics Department including Dr. Nisha Gill, Ms. Shilpi Gupta, Ms. Priyam Gupta, Ms Upasana Gera attended the seminar.
