

Online Workshop on Entrepreneurship organised by Department of Mathematics, Aggarwal College Ballabgarh

An Online Workshop on Entrepreneurship was organized by Department of Mathematics, Aggarwal College Ballabgarh on 18.01.2023 under the able guidance of Principal Dr. Krishan Kant. Mr. Arvind Kumar, CEO, RR Tech Solutions, Faridabad was the keynote speaker. The programme started with the welcome address by Dr. K.L

Kaushik, (Convener), H.O.D, Department of Mathematics. The main objective of this workshop was to create awareness among the students about various facts of entrepreneurship as an alternative career option. Mr. Arvind Kumar told the students about the fundamentals and key concepts of Entrepreneurship. He also told them about some schemes started by Indian Government to support young entrepreneurs. He motivated the students by telling about the journey of starting good start-ups which are successful in the market today. He also gave an assignment to the students to prepare a business plan. After the lecture, the students put their curiosity in front of the keynote speaker by asking questions and the attendee answered them with great pleasure. MS. Priya Arora and Dr. Mamta Thakur were the organising secretaries and Ms. Neha Goel and Ms. Deepanjali were the coordinators of the programme. A total of 72 participants were benefitted with the lecture. The lecture ended with the vote of thanks by Ms. Priya Arora. All the staff members of Mathematics Department including Dr. Naresh Kamra, Dr. Geeta Tripathi, Ms. Renu Bala, Ms. Khushali Tyagi, Ms. Poonam Gupta and Ms. Pooja attended the lecture with great enthusiasm.
