

Online Workshop on "Research Methodology" organised by Department of Mathematics, Aggarwal College Ballabgarh

An Online Workshop on "Research Methodology" was organised by Department of Mathematics, Aggarwal College Ballabgarh on 17.02.2023 under the able guidance of Principal Dr. Krishan Kant. Dr. Mohd.Javed Idrisi, Associate Professor, Mizan -Tepi University, Ethiopia was the keynote speaker. Recently, on 29th Dec 2022, an MOU has also been signed between Aggarwal College Ballabgarh and Mizan -Tepi University, Ethiopia. The workshop started with the welcome address by Dr. K.L Kaushik, (Convener), H.O.D, Department of Mathematics. The main objective of this workshop was to enlighten the students about the theoretical and practical aspects of doing research. Dr. Idrisi told the students about the meaning of research, types of research, format of a research paper and explained each one of them explicitly. He further guided the students on how to write a good research paper. The speaker highlighted on the attributes and duties of a critical scholar and how the same would affect the quality of research. Some of such attributes includes being scientifically faithful with the research, objectivity, potential to edit the document and ensuring proper acknowledgement of the sources from which relevant ideas have been taken for carrying out the research. The students were extremely overwhelmed by the lecture as it would be very effective for their career and future work. After the lecture, the students put their curiosity in front of the keynote speaker by asking questions and the attendee answered them with great pleasure. Mathematics Department also organized a Seminar on "Intellectual Property Rights (IPR)" on 16.02.2023 in which Mr. Vinay Yadav, GST, Income Tax and IPR Consultant was the keynote speaker. Mr. Vinay Yadav told the students that Intellectual property rights (IPR) are the creations of mind or intellectual works that are protected by law. He discussed the seven types of IPR include patents, trademarks, copyrights, trade secrets, geographical indications, industrial designs and plant variety rights. Ms. Priya Arora and Dr. Mamta Thakur were the organising secretaries and Dr. Naresh Kamra, Dr. Geeta Tripathi and Ms. Poonam Gupta were the coordinators of the programme. A total of 75 participants were benefitted with the workshop. The programme ended with the vote of thanks by Ms. Priya Arora. All the staff members of Mathematics Department including Ms. Neha Goel, Ms. Renu Bala and Ms. Khushali Tyagi attended the lecture with great enthusiasm.
