The NEP Cell of Aggarwal College, Ballabgarh, organized a sensitization program on the National Education Policy (NEP) for the first-year students on 29th July 2024 under the able guidance of Chairman (Aggarwal Vidya Prachirni Sabha) Mr. Devender Kumar Gupta. The program aimed to acquaint the students with the salient features and objectives of the new educational policy under the topic **“Multiple Entries & Multiple Exits (MEME) & Academic Bank of Credits (ABC)”**. The keynote speaker for the event was Dr. Priyanka Sehrawat, Convener of the NEP Cell, who shed light on the importance of the NEP in transforming the education landscape of the country. The lecture aimed to deepen students' understanding of the NEP 2020, which is poised to transform India's education landscape. She highlighted the key aspects of the NEP 2020, including its focus on holistic education, vocational training, and the integration of technology in classrooms. She told the students about the concept of multiple entry and exits under NEP 2020. She also gave insights into Major, Minor and MDC subjects and the eligibility to opt them under NEP 2020. The session included an interactive Q&A segment, where students actively engaged with the speaker on how NEP 2020 could influence their academic and career paths. The program witnessed active participation from.... first-year students who engaged in interactive sessions and discussions on various aspects of the NEP. Students were encouraged to embrace the spirit of innovation, critical thinking, and creativity as promoted by the policy. Dr. Sanjeev Kumar Gupta, the Principal of Aggarwal College, commended the efforts of the NEP Cell in organizing such an insightful program for the students. He highlighted the college's commitment to aligning its academic practices with the goals of the NEP for fostering a more inclusive and progressive learning environment. Dr. Rekha Sain and Dr. Priya Arora (Members of NEP Cell) conducted the whole event very well. Overall, the NEP Sensitization Program proved to be a valuable platform for the students to gain a deeper understanding of the transformative changes brought about by the National Education Policy. The event was well-received, with students and faculty expressing appreciation for the clarity and depth of information provided.
