

Guest lecture organized by department of Mathematics, Aggarwal college Ballabgarh

A Guest lecture was organized by Department of Mathematics, Aggarwal College Ballabgarh on 19.09.2024 under the able guidance of Sh. Devender Kumar Gupta, President of Aggarwal College Ballabgarh, General Secretary Sh. Dinesh Gupta and Acting Principal Dr. Sanjeev Kumar Gupta. Dr. Advin Masih, Assistant professor, Manav Rachna University , Faridabad was the keynote speaker. He delivered his lecture on the topic "Mathematics in the Modern world: A Tool for Innovation and Progress". The programme started with the welcome address by Dr. Geeta Tripathi, Asst. Prof., Department of Mathematics. The lecture highlighted various applications of mathematics, including its role in data analysis, artificial intelligence and engineering. Dr. Advin Masih elaborated on how mathematical models and algorithms are fundamental to innovations in fields such as artificial intelligence, data science, and engineering. He motivated the students to work hard and made them aware about the research opportunities in Mathematics. After the lecture, the students put their curiosity in front of the keynote speaker by asking questions and the attendee answered them with great pleasure. Ms. Neha Goel organized the event very well. A total of 75 students were benefitted with the lecture. All staff members of Mathematics Department including Ms. Neha Goel, Dr. Geeta Tripathi, Dr. Renu Bala, Ms. Poonam Gupta, Ms. Neelam Sharma, Ms. Kanchan Malik, Mr. Ramkishan and Ms. Deepa attended the lecture with great enthusiasm. The lecture ended with the vote of thanks by Ms. Neha Goel.
