

## **First National Space Day Celebration at Aggarwal College Ballabgarh**

Aggarwal College Ballabgarh celebrated First National Space Day on 23 August 2024 with great enthusiasm and fervor under the able guidance of Shri Devender Kumar Gupta, President of Aggarwal College Ballabgarh, General Secretary Sh. Dinesh Gupta and Acting Principal Dr. Sanjeev Kumar Gupta. The event is celebrated all over the country on initiation of ISRO & in directions Government of India on the occasion of the 'Successful soft landing of Chandrayaan-3' on Moon (August 23 2023). It was organized to inspire and educate students about the remarkable achievements of India in the field of space exploration.

The highlight of the event was the screening of a documentary on Chandrayaan-3, India's upcoming lunar mission. The documentary provided the students with an in-depth understanding of the objectives, technologies, and challenges associated with this ambitious project. The students were captivated by the visuals and the insights shared by the experts featured in the film.

Following the documentary screening, the students were urged to take a pledge to participate actively in National Space Day and to become responsible citizens of India. The pledge emphasized the importance of supporting India's space program, promoting STEM (Science, Technology, Engineering, and Mathematics) education, and contributing to the nation's technological and scientific progress.

Principal Dr. Sanjeev Kumar Gupta delivered a motivational speech, emphasizing the significance of space exploration and the role of the youth in shaping India's future in this domain.

The National Space Day celebration at Aggarwal College Ballabgarh was a resounding success, inspiring a total of 35 students to explore the wonders of space and to actively participate in the nation's space exploration efforts. The event was managed by Dr. Devender, Dr. Priya Arora and Dr. Priyanka Sehrawat. The college's commitment to fostering scientific curiosity and nurturing the next generation of space enthusiasts was evident in the seamless organization and the impactful outcome of the event.
