An **Online One-Day National Workshop** on “**Research Paper Writing and Publishing**” was held on **22/10/2024** at **Aggarwal College Ballabgarh**, organized by **Department of Chemistry** under the banner of **Research and Development (R&D) Cell** in collaboration with the **Chemical Society** on account of celebrating “**National Chemistry week**” (20-26 October). The workshop was successfully organized under the able guidance of President Aggarwal College **Sh. Devender Kumar Gupta** and in the supervision of Acting Principal Aggarwal College **Dr. Sanjeev Kumar Gupta**. The Resource Person of the workshop was **Dr. Raj Kumar Bhardwaj**, Chief Librarian, St. Stephen’s College, University of Delhi, India. The event was inaugurated by presenting virtual bouquet to the speaker for his formal welcome, a plant sapling was presented to Acting Principal **Dr. Sanjeev Kumar Gupta** by Head, Chemistry Department and Convener, Research and development (R&D) **Dr. Priyanka Sehrawat**. The workshop aimed to equip participants with the essential skills and knowledge necessary to produce high-quality research papers for publication in peer-reviewed journals. In this workshop more than 100 Participants including students and faculties from diverse academic backgrounds come together to enhance their understanding of the research paper writing process. **Dr. Priyanka Sehrawat** gave the brief introduction of the speaker along with some basic idea of working with Research and Innovative minds. Resource Person of the event explained each and every concept mandatory for writing a research paper. He included the facts related to literature survey, method sectioning and proceeded with incorporating the importance of pictorial presentation in a research paper. He also focused on writing abstract, results and conclusion with utmost care. He explained how proper writing of references and citations are important to the quality paper. He also emphasizes on the plagiarism. He explained each aspect of ‘before’, ‘during’ and ‘after’ writing the research paper. Later on he briefed about various template for writing research paper. Finally, he motivated participants for quality research and stressed on productive teamwork to have a good result.

Participants found this workshop interesting and knowledgeable and got to know a lot about how to start their journey on writing their first research paper. They also got to know the idea about publishing, patenting and copyrighting.

The event was the great success as number of participants and their involvement itself spoke its success story which was result of collective hard work of Chemistry Department. The event was concluded by vote of thanks proposed by **Ms. Manshi Tyagi**.
