

Workshop on “Future Skills Prime”

On 18th March, 2025 Department of Computer Science organized a Workshop on the topic **“Future Skills Prime”** for the students of BCA, and B.Voc (SD). Such events are organized regularly at Aggarwal College Ballabgarh under the able guidance of Chairman Sh. Devender Kumar Gupta, General Secretary Advocate Sh. Dinesh Kumar Gupta and Acting Principal Dr.Sanjeev kumar Gupta. The event was coordinated under the effective leadership of Dr. Sachin Garg, Incharge (Wing 1). Mr. Sagar from Nasscom Foundation., Faridabad was the resource person for the session. In the beginning of the session Ms. Jyoti Gupta delivered the welcome speech and presented the floral bouquet to Mr. Sagar.

He discussed recent developments in training for AI, machine learning, data science, IoT, and cyber security highlights on growing emphasis on integrating these technologies across various sectors, after that Resource person explained some of the most in-demand skills in the IT sector are Technical Skills (Digital Marketing, AI, ML, IoT, Blockchain), Soft Skills (Digital Literacy, Communication skills, Critical Thinking &Team work), Emerging Technologies (Quantum computing, VR & AR etc)

These developments underscore a global commitment to advancing skills in AI, machine learning, data science, IoT, and Cybersecurity, reflecting their critical role in addressing contemporary technological challenges.

The students put a lot of queries and the resource person explained each query in very simple and understandable language. Approximately 80 students participated in the session. The event was co-ordinated by Ms.Reena Kinger, Ms. Preeti Sharma, Ms. Poonam Sharma. The session was attended by Ms.Parul Singla, Ms. Nisha and other faculty members.
