Learning Management System

A learning Management System (LMS) is a software application for the administration, documentation, tracking, reporting and delivery of educational courses or training programs or learning and development programs. The learning management system concept emerged directly from e-Learning through the digital material like:

- NPTL Programme
- National Digital Library
- N-List programme of UGC
- Swayam
- MOOC
- Shoudh Ganga
- DOAJ (Directory Open Access Journals)
- e Pathshala
- Project Gutenberg
- Old Question Papers (Available in Library)
- Subject e-contents (Social Science, Humanities, Science, Management and Computer Science)
